

Hello world with LuaTeX. Hello world with LuaTeX. Hello world with LuaTeX. Hello world with  
LuaTeX. Hello world with LuaTeX. Hello world with LuaTeX. Hello world with LuaTeX. Hello world with  
LuaTeX.

This is just test. Just a test. Nothing more than a test. Just a test. Nothing more than a test. Just a  
test. Nothing more than a test. Just a test. Nothing more than a test. Just a test. Nothing more than a  
test. Just a test. Nothing more than a test.

This is just test. Just a test. Nothing more than a test. Just a test. Nothing more than a test. Just a  
test. Nothing more than a test. Just a test. Nothing more than a test. Just a test. Nothing more than a  
test. Just a test. Nothing more than a test.

Some more text, just to check if the weird typesetting of the last paragraph can be repeated. Still, it  
would be strange if not. But it looks like – not, at least if the paragraph is short. If it is longer, the text  
is typeset incorrectly.

But only if the paragraph is a little bit longer, a few lines.
