This is Computer Modern. It doesn't seem to have a problems with kerning, such as with 'p' as in 'pipped' and with 'o' as in 'pond'.

This is Minion Pro with kerning switched off. It doesn't seem to have a problems with kerning, such as with 'p' as in 'pipped' and with 'o' as in 'pond'.

This is Minion Pro. It seems to have a few problems with kerning, most notably with 'p' as in 'pipped' and with 'o' as in 'pond' (but not all kern pairs seem affected).

This is Warnock Pro. It doesn't seem to have a problems with kerning, such as with 'p' as in 'pipped' and with 'o' as in 'pond'.
